For the beginner to the savvy OSCAR User

Featured Webinars and Tutorials from our YouTube Channel

OSCAR BC is pleased to support OSCAR EMR users by facilitating education through live webinars and by sharing instructional videos such as these.

GREASEMONKEY **WEBINAR**

WEBINAR LEADS
DR. STAN HURWITZ
DR. JOHN YAP
DR. JOHN ROBERTSON

[Greasemonkey Webinar](#)

What is Greasemonkey, What Can It Do and Why Would I Want It?

Optimize and automate your OSCAR EMR with this must-have add-on tool.

(note: Greasemonkey is only functional on Firefox browsers but this webinar explains the Tampermonkey version for Chrome users)

Webinar led by Dr. Stanley Hurwitz, Dr. John Yap, Dr. John Robertson

Report by Template

[Introduction to Report by Template \(RBT\)](#)

For those who want to know all about RBT's, here is a introductory tutorial video delivered by Dr. John G.M. Robertson explaining the what, where, why and how of *Report by Template*.

5 Must Reads for OSCAR Users

from our Online Resources

1. [OSCAR EMR Instruction](#)

The ideal user of this [Oscar EMR Intro for New Users-Instruction Sheets](#) would be a resident unfamiliar with OSCAR or a locum new to an OSCAR-enabled office.

2. [Adding eForms to your OSCAR System](#)

[This document](#) explains how to add new eForms to the existing ones on your system.

3. [MSP Explanatory Codes](#)

[This document](#) can be downloaded for reference

4. [Worksafe Fee Codes](#)

[This document](#) can be downloaded for reference

5. [Common Office Billing Codes](#)

[This document](#) can be downloaded for reference

[SourceForge Article: "Open Source vs. Closed Source \(Proprietary\) Software: A Never-Ending Debate"](#)

Excerpt: "Open source and closed source (also known as proprietary) software are two distinct types of software development models, with each having its own advantages and disadvantages. It is up to each individual or organization to decide which is best for their needs. However, it is important to understand the pros and cons of both approaches if we are to make an informed decision."

eForm Updates

7

Unless indicated otherwise, eForm update information notes have been provided by the OSCAR Librarian Dr. John G.M. Robertson. Use the links highlighted or the BC eForms Search box on the [OSCAR BC website](#).

1. Created by Leo Pavone. In consultation with Leo and Kevin Lai I have added increased functionality to the form. **For Xray, Ultrasound, Breast imaging and Nuclear Medicine.** For Mt Sinai Hospital, the University Health network and Women's College Hospital. Side panel allows for selection of fax number and has links to other parts of the chart. Fax code, print to pdf code, the ability to circle choices etc.

Posted [HERE](#)

2. The **Seniors Social Prescribing Program eForm** was created at the request of the Chilliwack Division of Family Practice.

Posted [HERE](#)

3. The following eform was created at the request of the Chilliwack Division of Family Practice. **Referral for Nerve Conduction Studies or Electromyography.** Abbotsford Regional Hospital and Cancer Centre.

Posted [HERE](#)

4. This eForm was created in Collaboration with Sam Van. It is another example of an eForm that writes to the encounter page. In this case it is **an intake sheet for a newborn/infant consultation.**

Posted [HERE](#)

5. As requested by Winnifred Angus, the **BCWH BCCH Embryopathology Requisition** has been created with usual functions including radio boxes, calendar drop downs, required fields, and links to other portions of the chart. In creating the form it became obvious that this requisition can not be used alone, but must be accompanied by the Parental Responsibility form. As such I have made this form as well.

Embryology form [HERE](#)

Parental Responsibility form [HERE](#)

6. Created at the request of the Chilliwack Division of Family Practice. **Referral to one of 4 Centres for Cardiac Rehabilitation in Fraser Health.** The second page is available as a printout, but is also in the side menu in accordion format. The Fax numbers in the side

menu can be copied if clicked on.

Posted [HERE](#)

7. The **Kipp Pain Clinic 2023 eForm (for pain patients in Chilliwack, BC)** was created at the request of the Chilliwack Division of Family Practice.

Need a New eForm?

OSCAR BC can prepare a customized eForm for you. [Contact us here and tell us what you need](#), and we'll send you a quote (*we generally respond within a week with your quote*).

If you have multiple forms, please submit a separate request for each form.

And remember - OSCAR BC Members receive a discounted rate for new eForms!

A promotional banner for OSCARCON '23. On the left is a 3D rendering of a desk calendar with the word "CALENDAR" on the top page. The background is a green gradient with bokeh light effects. On the right is the OSCAR BC logo (a stylized green figure) and the text "OSCAR BC Connecting Care • Creating Community". Below the logo, the text "OSCARCON '23" is written in large white letters. Underneath that, it says "Mark Your Calendars!" and "Tentative Dates: June 10 & 11, 2023". At the bottom, it says "Vancouver, BC" and "stay tuned for more details coming soon!".
