

# OSCAR BC

Connecting Care • Creating Community

OSCAR BC is pleased to support OSCAR EMR users by facilitating education through live webinars and by sharing instructional videos such as these.

**OSCAR EMR**

## Introduction to Messages

Consider subscribing to our OSCAR BC YouTube Channel. We've almost reached 100 subscribers! Learn about [Messages in this short video](#). It's a way of communicating inside of OSCAR.

## Introduction to Ticklers

Would you or your co-workers benefit by learning more about Ticklers? They're unique in that they can be assigned to a patient, to a time to show up, to identify priority, etc. Here's [a quick video](#).

## Greasemonkey Webinar

**Do it yourself EMR upgrades...** Greasemonkey is an add-on to the browser that improves the EMR functionality in some tasks. If you missed it live, consider watching the [Greasemonkey webinar](#) on our YouTube channel, and refer to the [PDF presentation](#). Thanks to the webinar leads Dr. Stanley Hurwitz, Dr. John Robertson and OSCAR BC President, Dr. John Yap.

## AGM 2020

Thanks for all those who attended our 2020 Annual General Meeting. The report has been

- Member-driven
- Strengthening the OSCAR user experience
- Healthy financial position

## New Directors Sought

A heartfelt thanks to Jens Weber and Morgan Price who served on the board of OSCAR BC since our organization's inception. Their perspective as academics greatly enriched our activities in these past many years.

We invite those with an interest in joining our board to contact [Ken Becotte](#), Executive Director ([info@oscarbc.ca](mailto:info@oscarbc.ca)).

# eForm Updates

"There are required fields and alerts to remind you to fill them out. I have used focus() to add links to jump to the desired page. There is the ability to print only specific pages. There are links to other areas of the chart and to the imaging form (with a link to download the imaging form if you do not have it). As per recent convention, the print and submit button is removed to avoid long delays and possible lack of submission. There is a warning with the print buttons to make sure you submit afterward. I have tested it on my system and it appears to function correctly."
