To update OSCAR

- 1) click Administration
- 2) select Billing
- 3) select Manage Teleplan
- 4) click "update" under "Update Billing Codes"
- 5) review the update list and then click the Update Codes button at the upper left.

6) click "update" under "Update Explanatory Codes"

7) click "update" under "Update MSP ICD9 Codes"

You can contact your OSP if these codes do not update after the procedure.

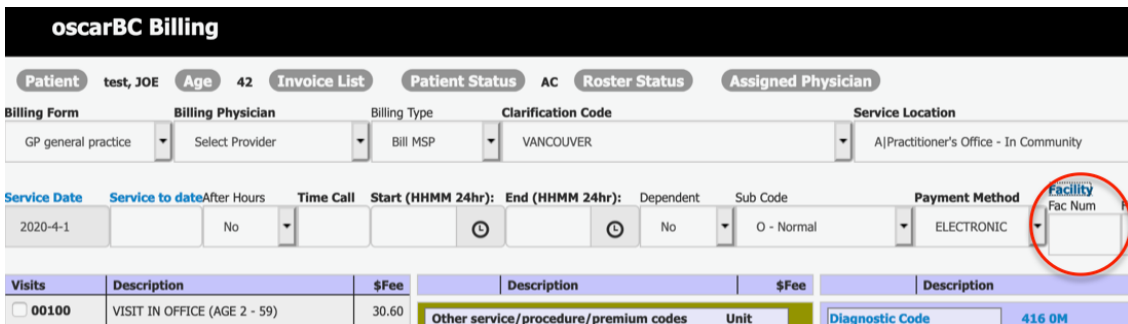

Add the New Billing Cost Premium in OSCAR

Clinics may wish to contact their OSP for a potential permanent solution.

For now, clinics can enter the code manually for each billing at the Facility Number location circled.

The facility number ONLY has to go into the Fac Num field

This is the RIGHT spot for Teleplan to receive the code
