## OSCARCON PROGRAM

Sessions will include a variety of topics suitable for all OSCAR EMR users, beginners to veterans. The day will start with Tips & Tricks to make your OSCAR work for you and will follow with a panel discussion on What You Should Expect from Your OSCAR EMR Service Provider. After lunch, our first session will be done concurrently - one on Prescribing and another on Billing & File clean-up. We will follow this with How to Fax Directly from OSCAR with a concurrent session on Setting Up Scheduler, Appointment and Online Booking. The days will wrap up with Panel Management and What You Need to Know About OSCAR Security.
